

Nature Play in Early Childhood

Presented by Kirsty Costa - Cool Australia, This course is FREE with Online Subscription

Get children learning outside and enjoying the many benefits of learning in nature. This course supports the NQS and EYLF.

Format: Short Online

Audience: Early childhood educators, centre directors, managers and others working with early childhood services.

Description

A growing body of research suggests that nature play helps children develop their physical, intellectual, emotional, social and moral capacities. There are many ways to integrate nature play into your learning programs, no matter where your early childhood service is located.

In this 2 hour online course, you will explore:

- Research about how nature play helps childhood development.
- Ways to integrate nature play into your service's programs.
- Opportunities and barriers.
- How to talk to families and involve your community.
- A range of teaching resources linked to the EYLF.

Build your confidence and skills. Explore the course at your own pace, in your own time. Learn today, teach tomorrow.

Additional notes about this format

>> This 2 hour online professional development is open for 2 weeks.

We recommend you allocate some time in your calendar, in advance, to enjoy the activities and get the most out of the course.

>> This course supports the EYLF in Outcomes 2, 3 and 4.
It also supports achieving National Quality Standard 2.2 and 3.2.
