

# Conflict In Indochina (Modern History HSC)

Presented by Lubna Haddad

UPDATED for the new syllabus. Simplify 30 years of complex history into 4 themes, explore programming and assessment ideas, and leave with loads of resources.

Format: Face to Face

Audience: Beginning teachers Existing teachers wanting a revivor course

## Description

This course focuses on skilling beginning teachers with ways to tackle the complex topic of the Vietnam War. The course will deconstruct the content into manageable approaches and incorporate effective teaching and learning strategies to suit different learning abilities, presenting complex historical information in a variety of simple structured ways. Learn more about targeting the most relevant resources to teach and program, improve your ability to assist student's writing skills when addressing extended response questions and exam techniques. Explore a variety of ways to teach higher order thinking skills to students. The course will provide you with different ways to formally and informally assess students' learning.
