About the presenter

Angelo Boutsalis

Creator

My job is to help people find solutions in the Photo and Video industries. I am a Classicly trained photographer meaning I actully studied photography for 3 years and shot large format film. this led me to the film industry where my lighting and camera knowledge was highly valued. I now spend most of my time consulting, doing one on one training, Youtube tutorials and doing workshops for brands like RED Digital Cinema, DJI, LightPro. Training people is a great reason to stay up to date with technology and gives me the opportunity to do what I love.
